

The Department of **MANAGEMENT** is a part of the faculty of Engineering and Economics of KSTU named after I. Razzakov, and provides training in the field of Management and Human Resource Management. For 20 years of its existence, the Department of Management has been successfully operating in the market of business education and unites more than 2000 graduates.

**Erkina Imankulova** Head of Management department / Professor

The Department has 4 professors, 1 doctor of sciences, 5 candidates of sciences, 6 associate professors and representatives of production and project campaigns and firms. Training sessions are held in multimedia classrooms with the latest software in the field of Management and Finance.

The staff of the Department aims to provide for graduate and undergraduate students with the following **key values**:

- ❖ High quality of education and the possibility of obtaining prestigious specialties;
- ❖ Bright student life, full of unforgettable impressions and new friends;
- ❖ Successful participation of students in major international conferences in Kyrgyzstan and the CIS on topical issues;
- ❖ Project activities and team interaction skills.

## **UNDERGRADUATE DEGREE**

**Management Degree** - provides training of professional managers possessing modern knowledge and capable of carrying out highly effective activity in the field of creation and functioning of competitive organizations. We also have concentrations on "**Financial Management**" and "**Production Management**".

**Human Resource Management Degree** - it is intended for work in the personnel management service of state and municipal authorities, commercial organizations, trade, industry, transport, in the Bank system and other areas of production.

With us, you will learn how to solve problems aimed at improving the quality of products, organizing technological processes, issues related to cost calculation, and optimizing the use of human resources.

## **GRADUATE DEGREE**

After receiving the Bachelor's degree in the areas of **Management** and **Human Resource Management**, graduates can continue their studies in order to get a Graduate Degree.

Masters of Management(2 years of study)  
(KR) Masters of Management(1+1) with two diplomas  
(KR and Russia) (Saint Petersburg)

## **BEYOND GRADUATION**

High quality of the program and the opportunity to obtain prestigious diplomas - a pledge of demand for our graduates, the opportunity to get an interesting and highly paid job beyond graduation. Today, due to collaboration with "HAPPY JOB", many of our students and graduates successfully work in prestigious firms in Kyrgyzstan, Russia, Kazakhstan and abroad.

### **OUR STUDENTS OUR PRIDE!**

Due to high quality of education, students take prizes, as in Kyrgyz and International olympiads in special disciplines, scientific and student conferences, and sports events. Our students are the best! The winner of the Presidential scholarship is Karina Ivanova.

The principles of student self-government are implemented at the department. Students take part in socially significant events, such as aid, for children from orphanages, "Donor Day", "Senior Citizens Day", "Victory Day", "Manager Day", in KVN.

## SCIENCE

Students are actively engaged in scientific activities, participate in Olympiads, student conferences, seminars and win in the implementation of scientific and practical works. Students present their research results at competitions, grants, and conferences at various levels, including international ones.

## CULTURE AND SPORTS

Students actively participate in all activities of the committee of youth affairs of the KSTU and sports clubs. In the "Miss KSTU" competition, our students always get winning places. We are also impressed by the athletic achievements of our students, who glorify and highly honor our University, having already won honorary places at the Universiade of Kyrgyzstan eight times in a row.
