

Исследование, разработка и внедрение в систему образования компьютерной терминологии на государственном языке.
Впервые в Кыргызстане были исследованы, переведены и внедрены языковые интерфейсы пакетов прикладных программ Microsoft на кыргызский язык:

OS Windows 7(2009-2010)

MS Office 2010(2011)

OS Windows 8(2012-2013)

Достижения:

Исследованы и внедрены компьютерные терминологии на государственном языке;

Созданы условия для популяризации и совершенствования государственного языка с использованием компьютерных технологий;

Создана база данных компьютерных терминологий на английском и кыргызском языках;

Создается Англо-Кыргызский и Кыргызско-Английский электронный автоматизированный терминологический словарь.

Ответственный исполнитель, лингвист-терминолог, переводчик к.ф.н. доцент Жумалиева Г.Э.

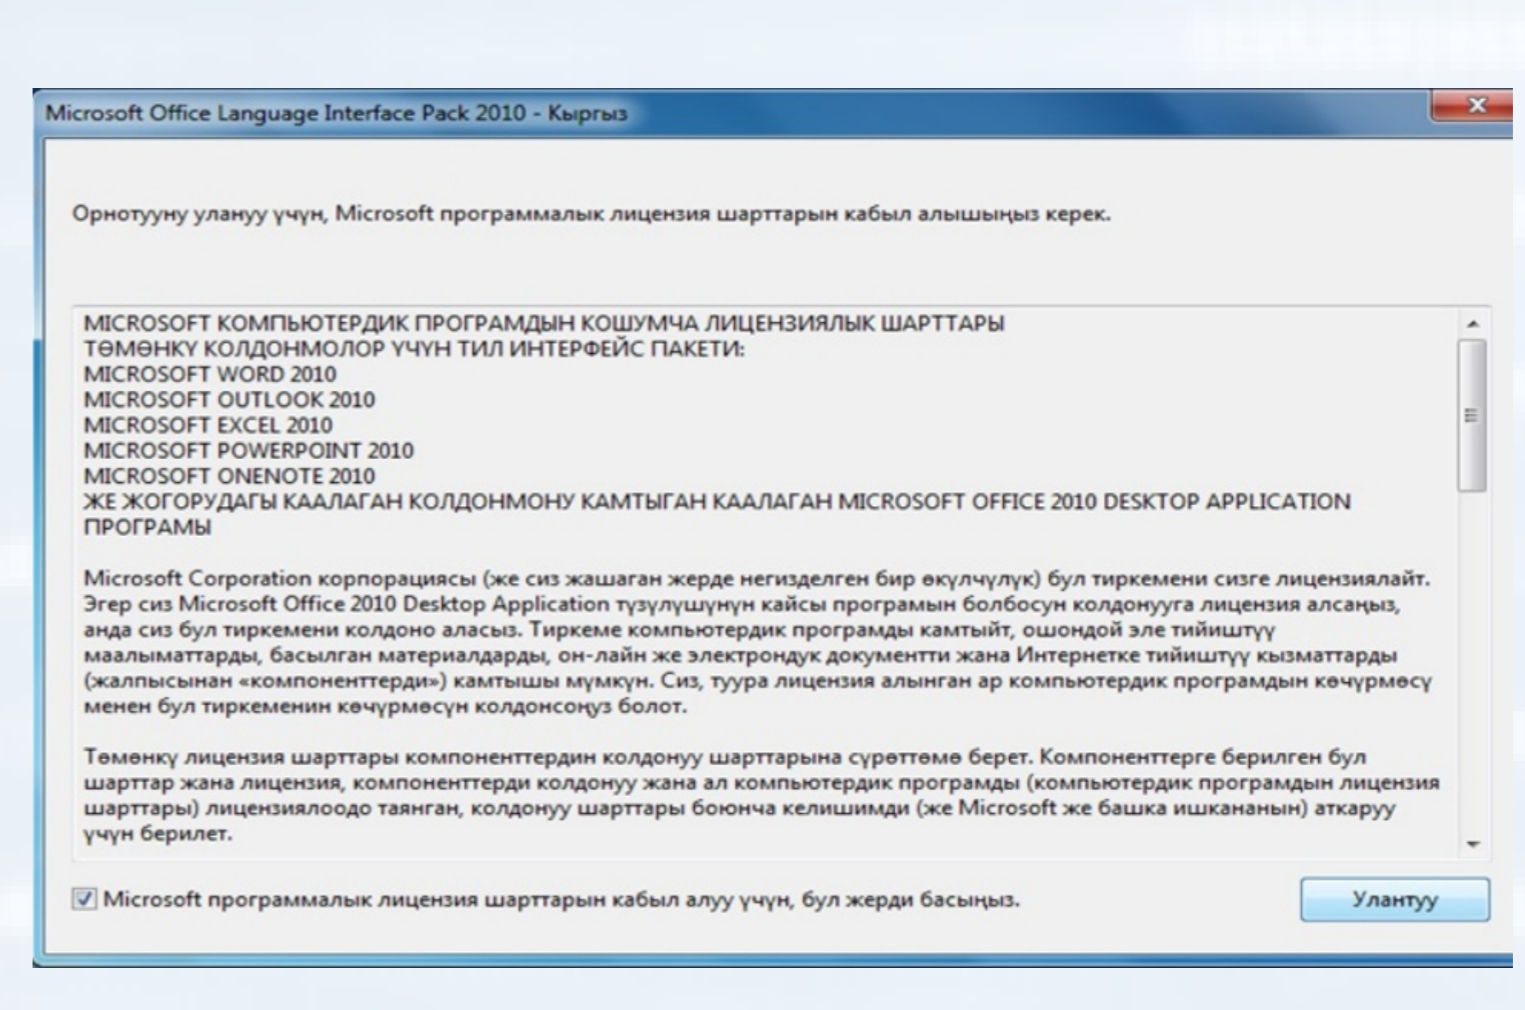

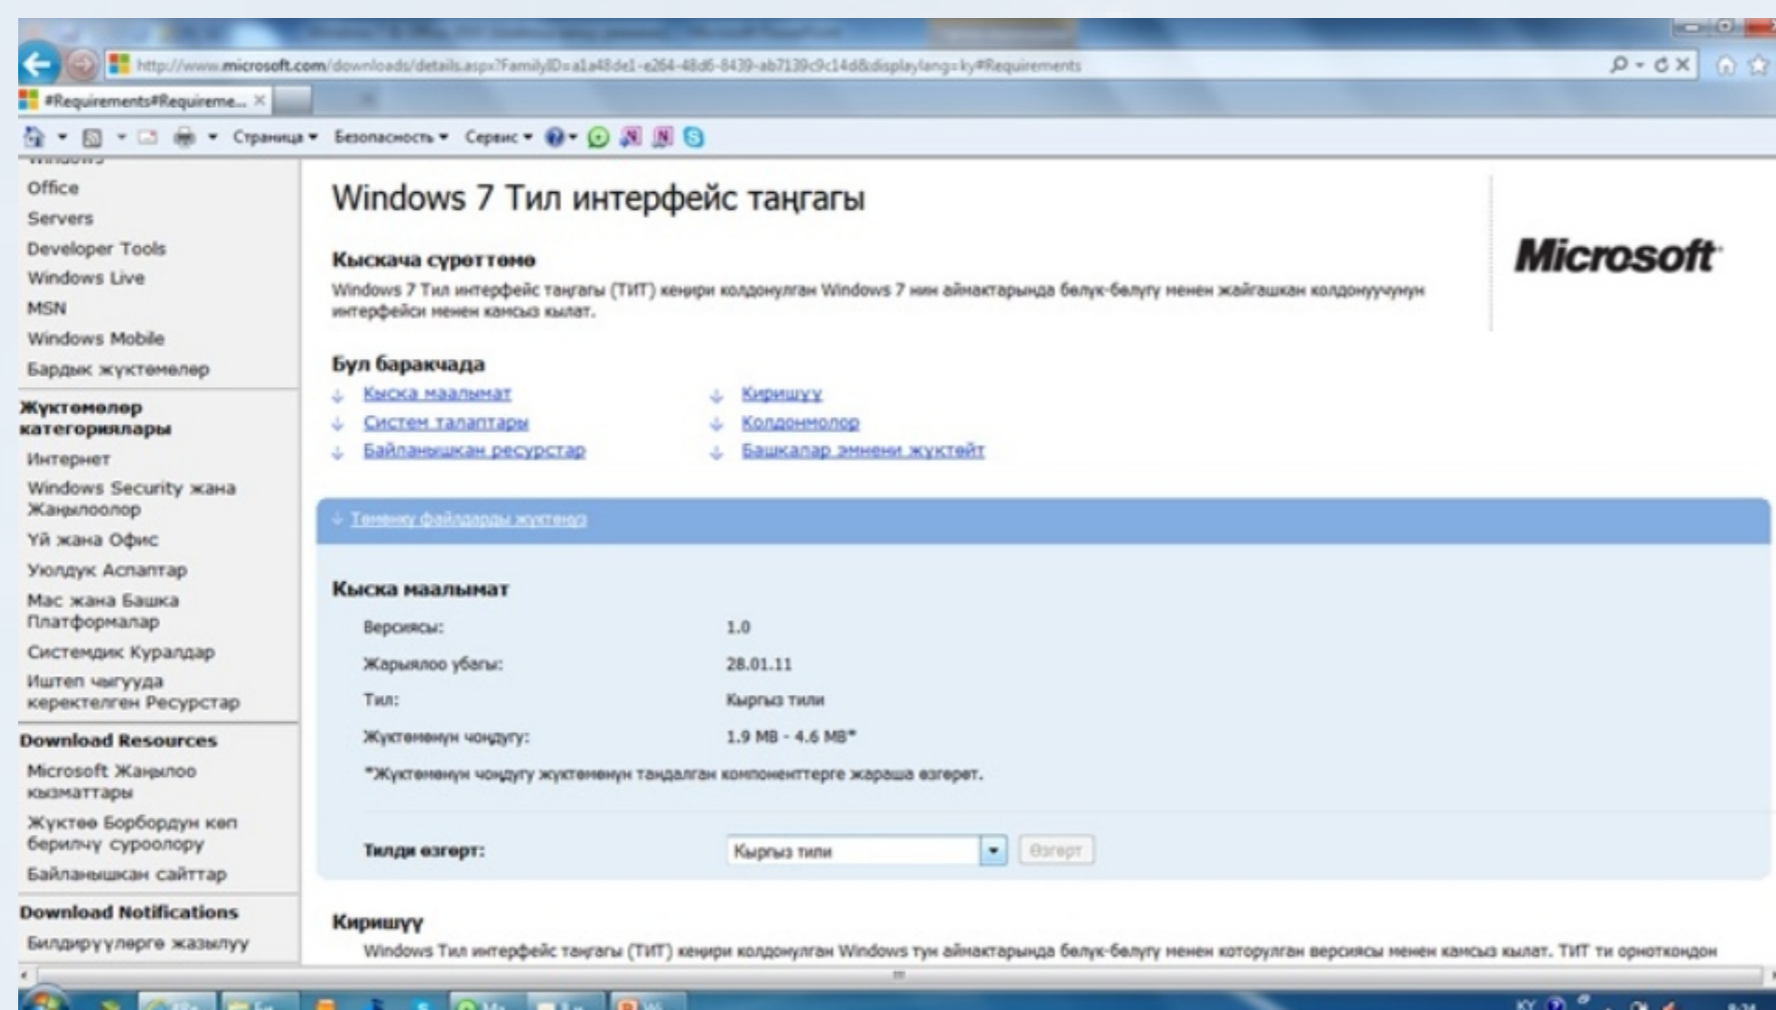

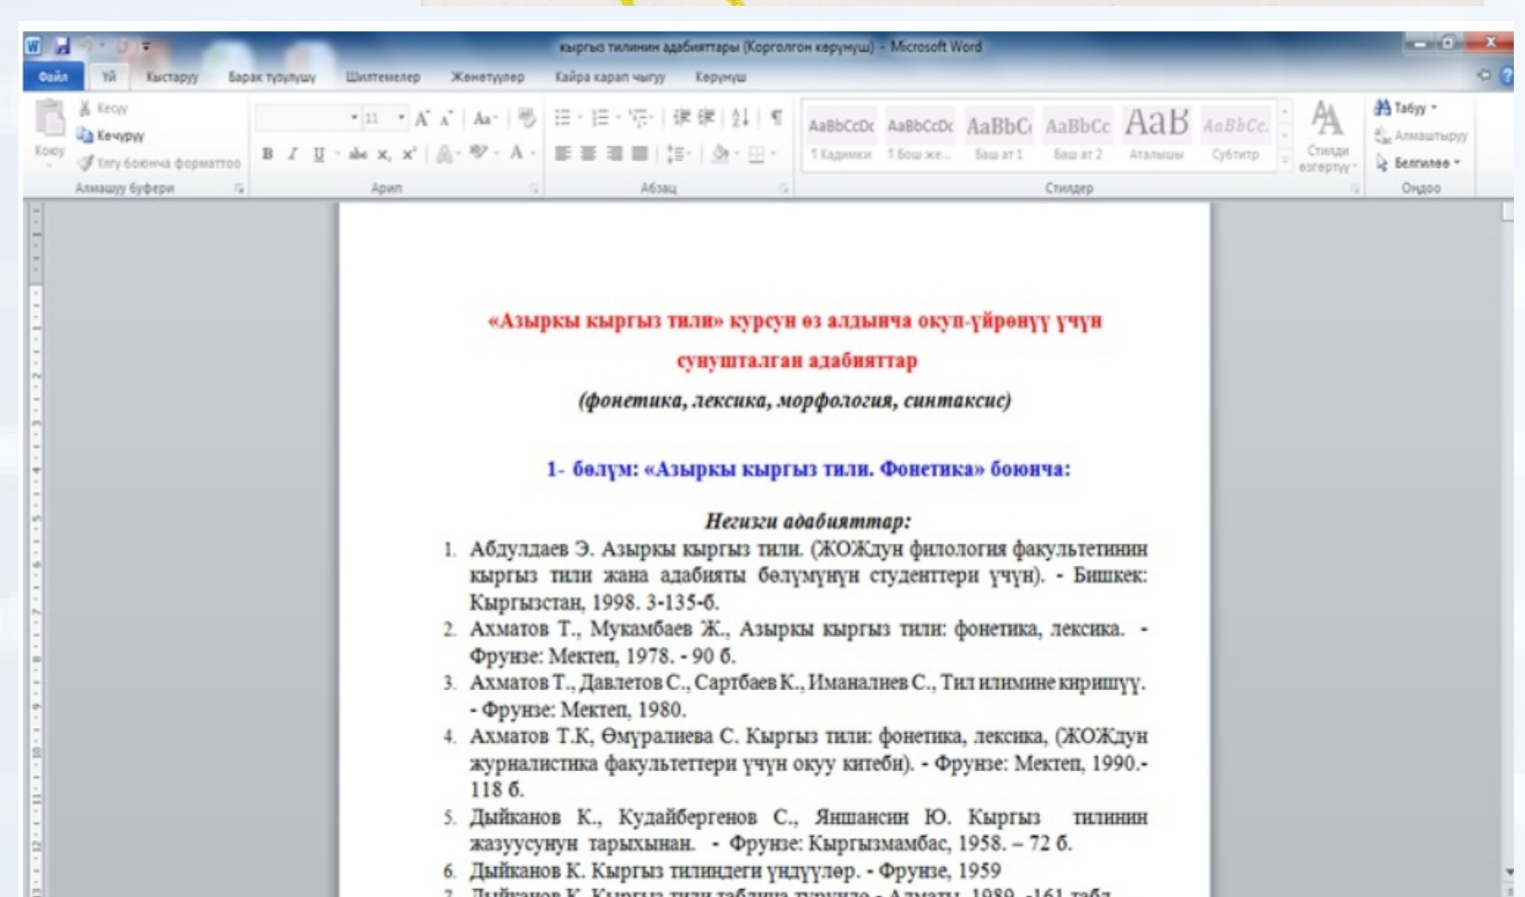

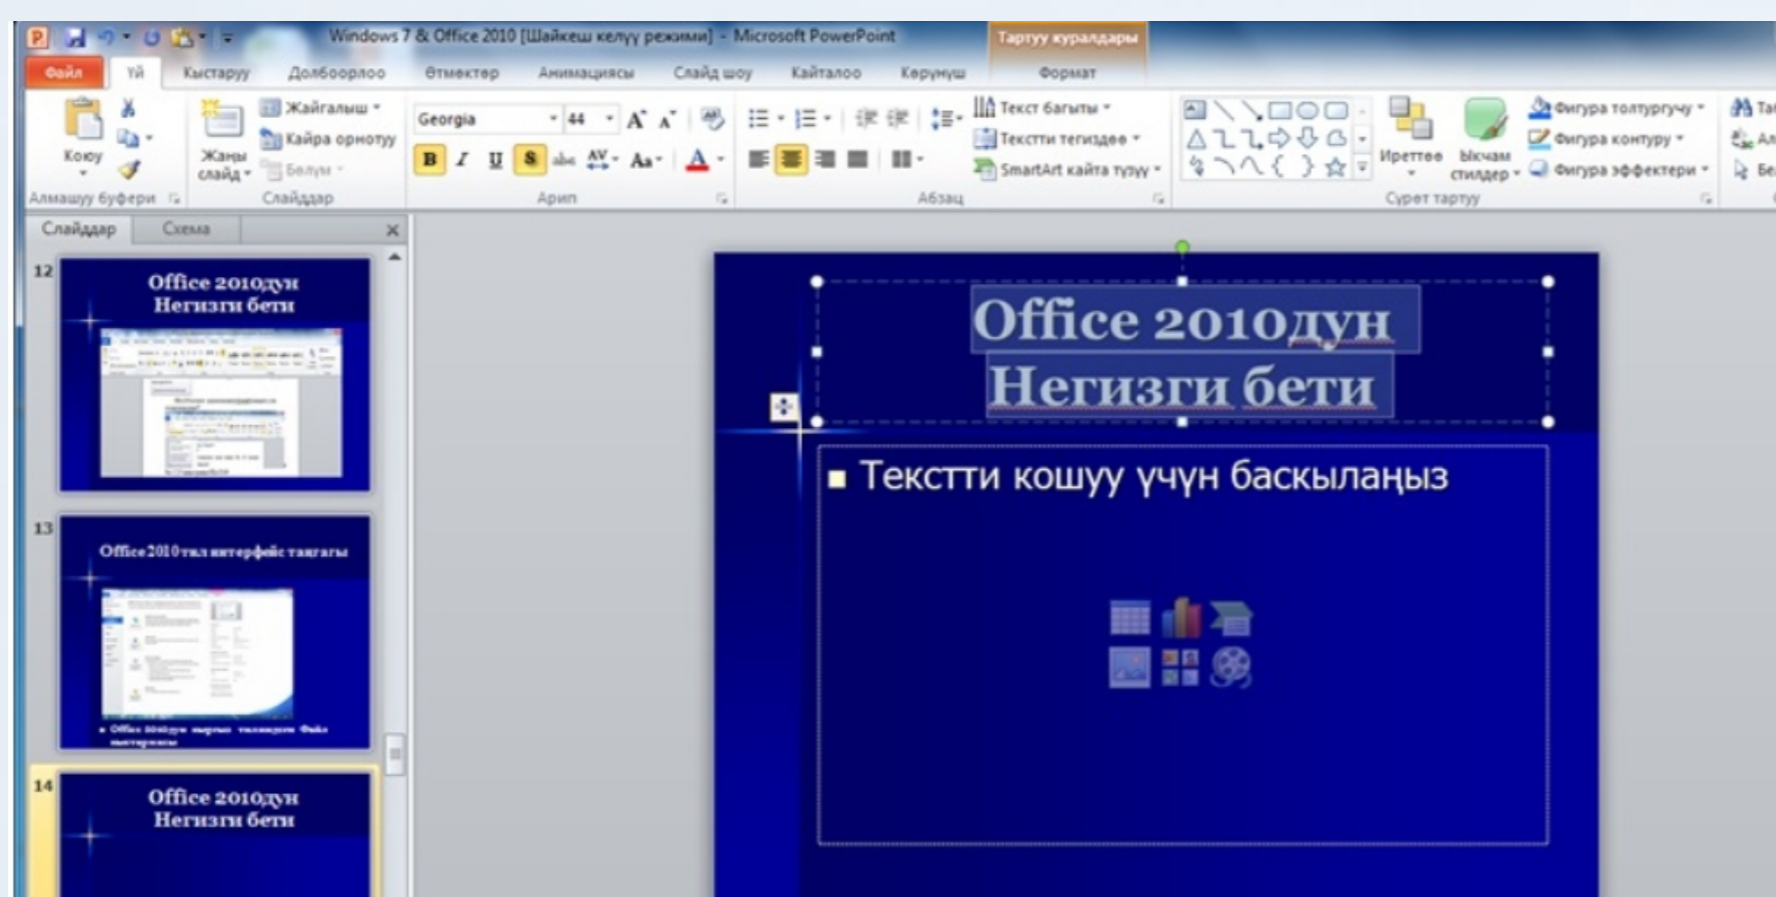

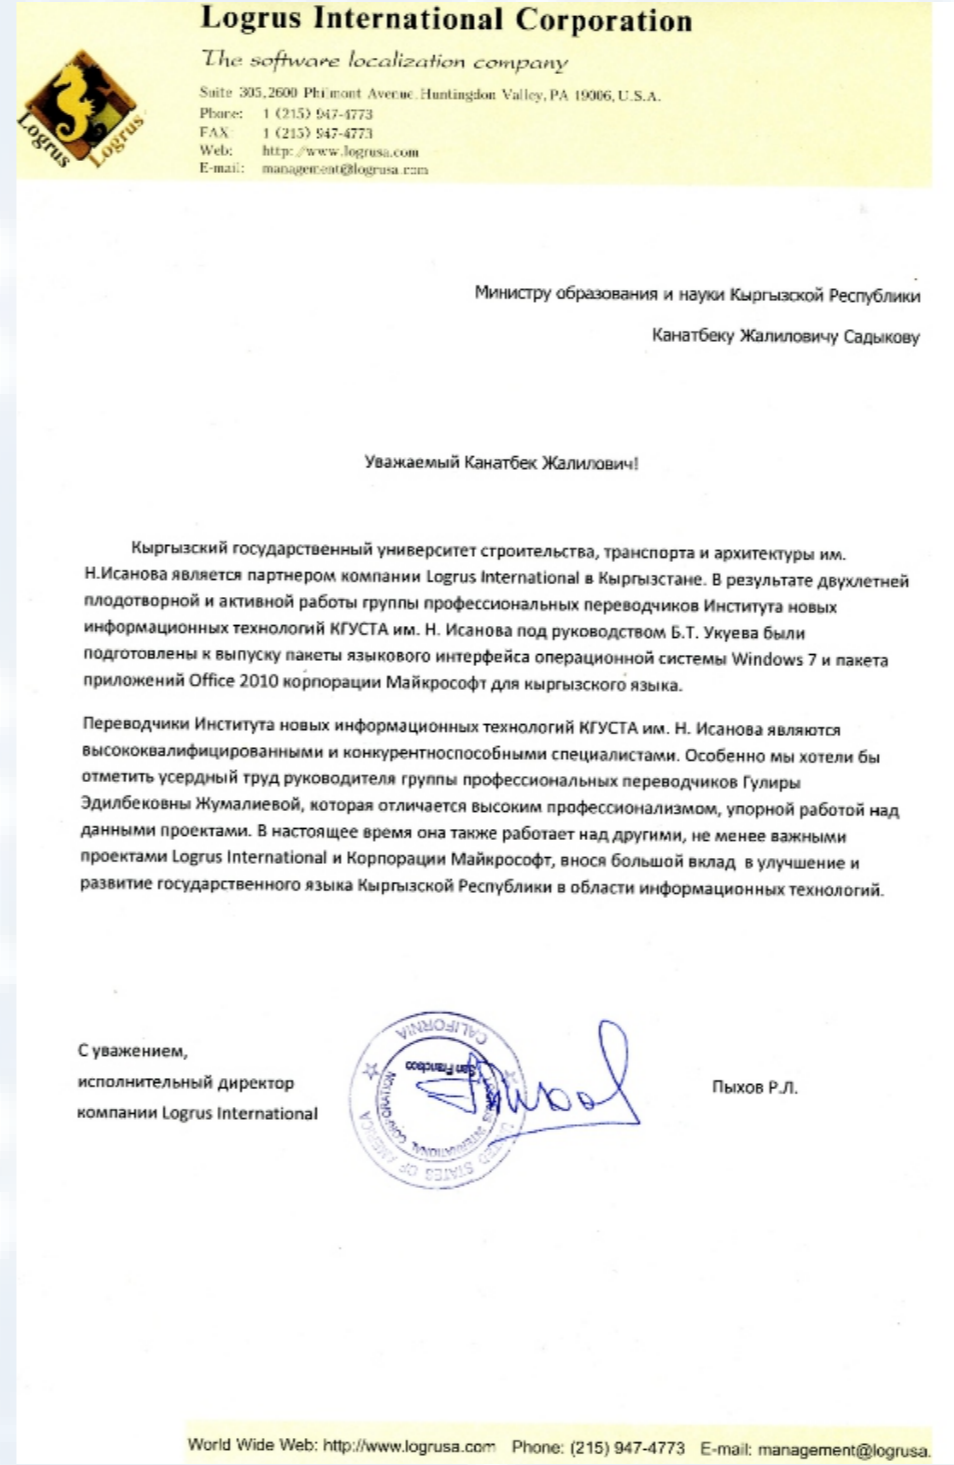

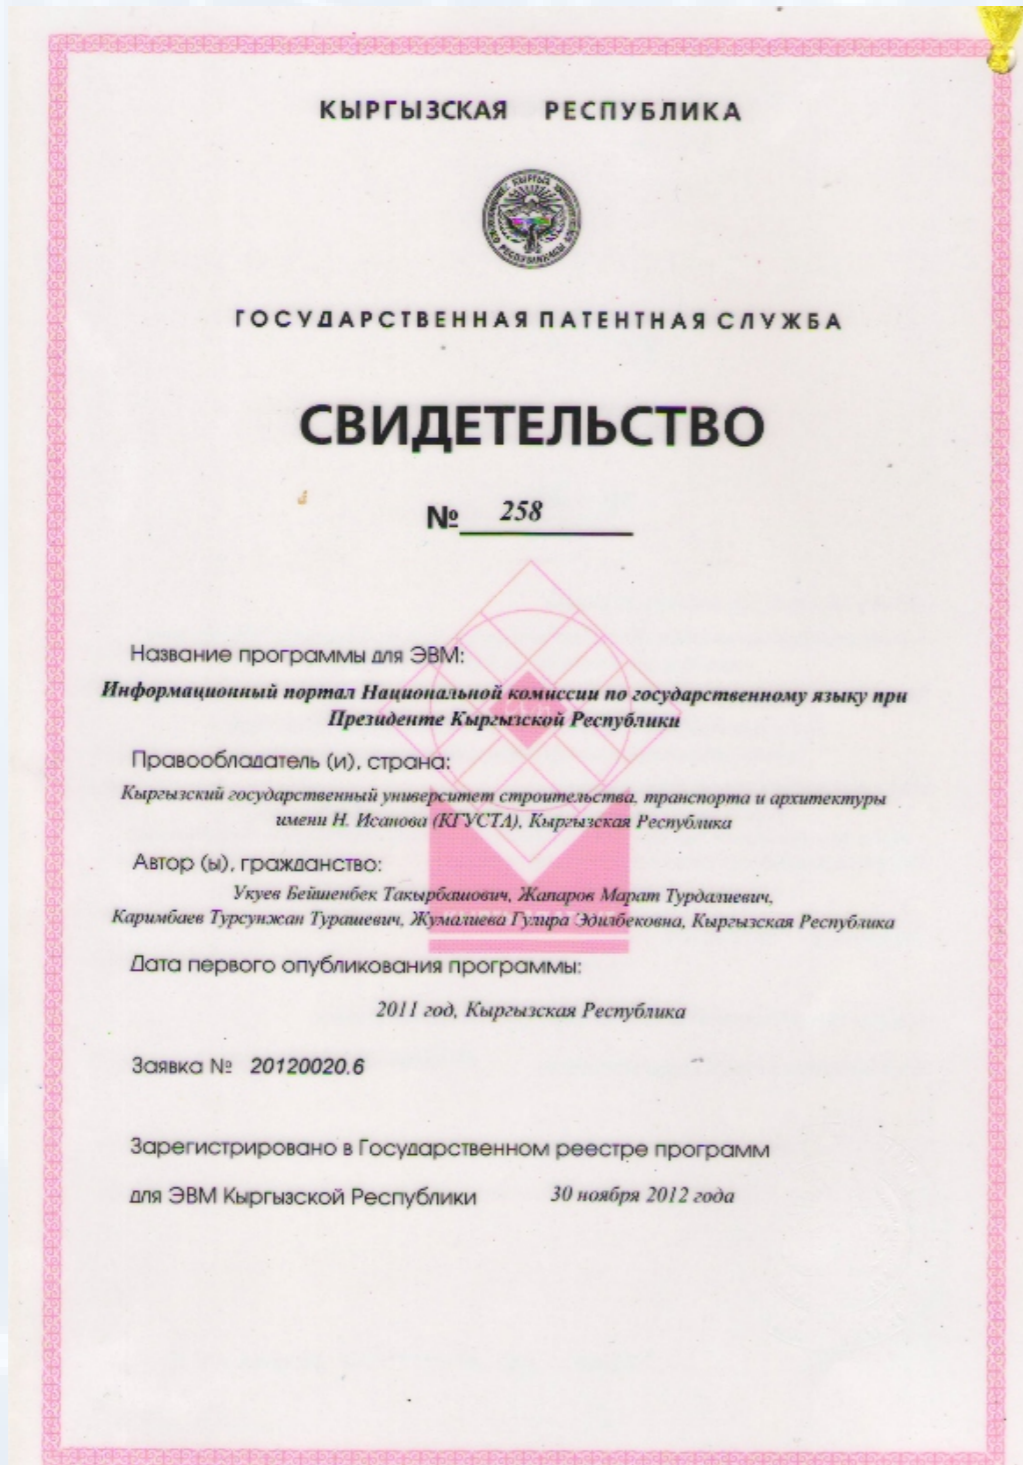

Получено авторское свидетельство
